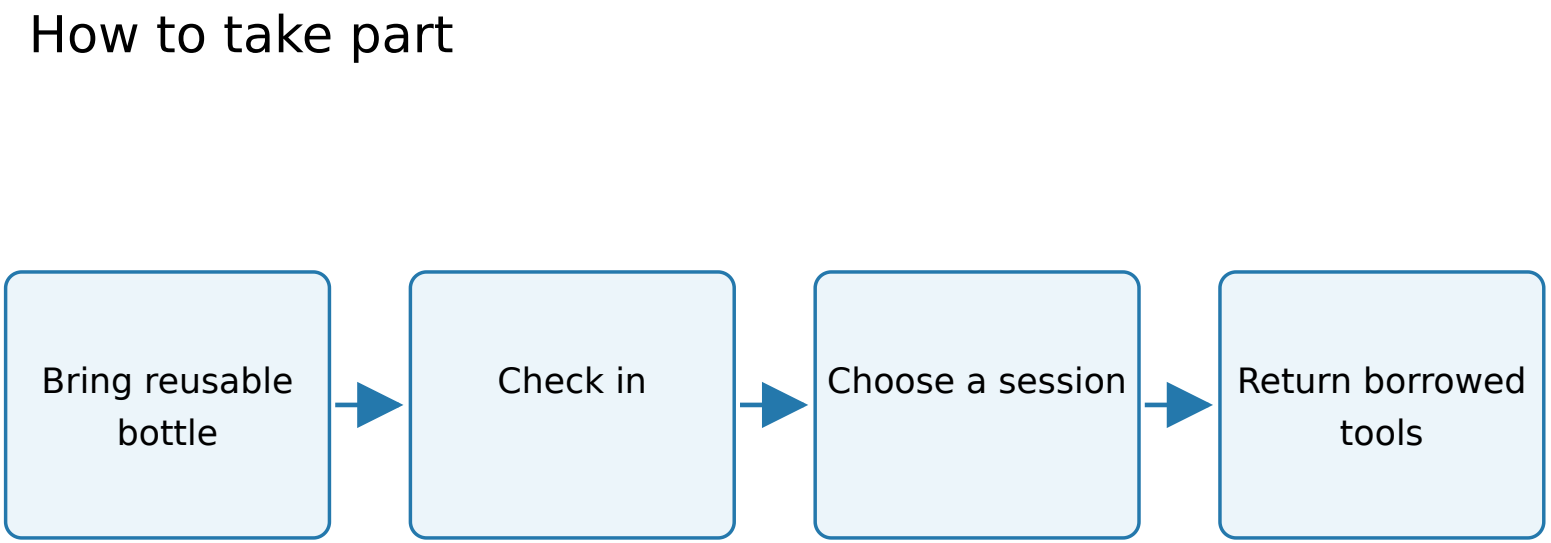
Seed exchange	24

Source: self-created Riverside Skills Day attendance table

Bar chart comparing attendance in people: Welcome session 48, Repair demonstration 36, Seed exchange 24.

Source: self-created Riverside Skills Day attendance table. No enjoyment, impact or future attendance measurements are supplied.

Riverside Skills Day — how to take part



Bring reusable bottle → Check in → Choose a session → Return borrowed tools

Source: self-created participation process. No extra step, time, branch or outcome is supplied.

Visuals explain checked content

Chart for supported quantities. Diagram for supported relationships. Use a permission-cleared image only for genuine recognition; use no visual if it adds no verified meaning.

These fictional, self-created teaching examples are not proof that an event occurred. Origin, claim verification and permission remain separate checks.

Inspect this actual exported file: chart, table, labels, unit, source note, ordered process and explanation must remain unchanged.
