Fictional supporting statement — practice only

Applicant: [not supplied] · Contact details: [not supplied]

Target role: Customer Support Assistant

Evidence

I answered customer questions by email and phone and kept case records.

Connection to the role

This experience connects to the role's customer-question, written-communication and case-record duties. Customer emails support written communication; they do not establish report writing or formal copywriting.

Check against evidence sheet: items 3–5. This statement adds no title, employer, date, qualification, result, number or management claim. Do not use an unspecified motivation as a fact. Missing details require verification before any real application.
